

Michigan NSA Scholarship Weekends

Thank you to all involved for helping fund and Award these scholarships.

Since the start of the Scholarship program in 2007, Michigan NSA is proud to have submitted over \$52,000 to the NSA National Office on behalf of the Michigan NSA Weekend Scholarship Program & all of its Recipients.

What are the Michigan NSA Scholarship Weekends?

NSA wants to give **ALL** girls that **enjoy the game of softball**, a chance to benefit from participating in the NSA program. A scholarship for college will be awarded to a player during each Scholarship Weekend tournament.

How is the Scholarship Recipient Decided?

The form of a blind draw will decide the recipient of each scholarship.

ALL teams in the weekend tournament, and **All players** PARTICIPATING in the tournament will be included in the draw.

The scholarship will **NOT** be awarded based on order of finish of a team or an individual player's athletic ability.

Details of when the drawing will be held shall be posted on or near the bracket board so everyone will know when the drawings will be held during the tournament.

What is the amount of scholarship?

The amount of the scholarship may be different from weekend to weekend, depending on additional sponsorships.

The **minimum amount of the scholarship is \$250** but it may be more, depending on the matching funds or sponsorships the Tournament Director/Host is available to secure.

What happens after the Draw? The tournament director will have the NSA Scholarship Recipient Form filled out by the parents or guardian of the player. The director will submit the correct information with the scholarship funds to the NSA National Office. The NSA National Office then submits a Confirmation Certificate, including the Sponsors Names, to the winner of the scholarship and holds the funds in their Scholarship Fund until the recipient is ready to attend college.

Who can participate in this tournament? Any team currently registered with NSA may participate.

What if the player does NOT play ball in college?

It does NOT matter if the player participates in college level softball. The scholarship is still theirs to use.

Can a player receive more than one scholarship?

Yes, if the recipient is lucky enough to be drawn more than one time over the years.

Is there a stipulation on the type of college the scholarship will be applied?

The scholarship funds will be paid directly to the recipient, in the recipient's name, after proof of enrollment is received by the NSA National Office. Redeemable at such time the recipient enters an accredited two-year or four year, junior college, college or university. The scholarship will be made payable to the recipient so it will not affect any other funds they may be receiving and they can utilize it anyway they see fit.

If you or someone you know may be interested in helping to sponsor the Michigan NSA Scholarships and help young ladies that enjoy softball, please contact Kathie Horton at the Michigan NSA Office.
